

Mentor Volunteer Application

A Mentor is defined as an 'experienced advisor'. They can serve as a consultant, a counselor, and a cheerleader! The information you provide will be used until the end of 2021 to match you with a weaver who requests a Mentor. The mentoring process can take place via phone, email, or other social media such as Zoom, whatever you are most comfortable with. The relationship timeframe is up to the two of you. This program will remain in place until the end of 2021 and then will be evaluated by MLH leadership

If you would be willing to be a Mentor, please send an email with the following information to mentorship@mlhguild.org THANK YOU so much for being willing to do this!

NAME

ADDRESS
