Judy Dominic presents “Basketry”

Fiber artist Judy Dominic sees potential in just about everything around her. For almost forty years, a major focus of her creative energies has been sculptural basketry using the natural materials found near her southwest Ohio home. Zoom in on Judy and treat yourself to a visual tour of her gallery through the years - and maybe catch some basketry excitement yourself!

Bio: Judy Dominic incorporates numerous fiber techniques in her art along with any interesting materials close at hand or underfoot or found along the way. Her creative energies don't understand 'normal'. Her website is www.judydominic.com
